

**MORNING SESSIONS:**

Players will learn different skills thru games and exercises. Different skills will be introduced daily to help players to have success in the afternoon games. This year at least part of these sessions will be dedicated to improving overall footwork.

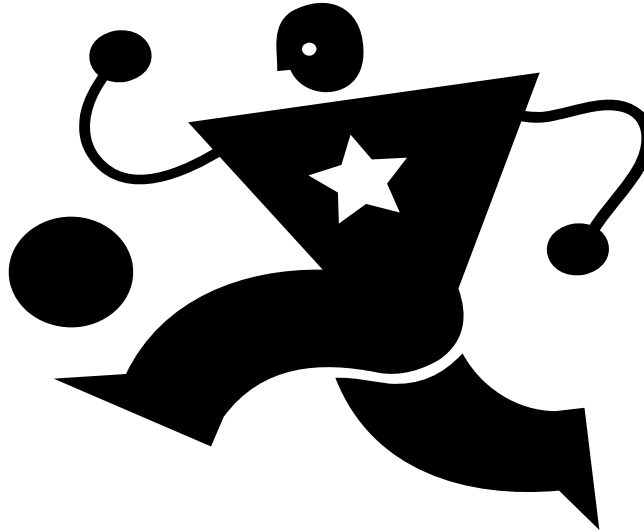

**AFTERNOON SESSIONS:**

Players will play in small sided matches that will be a way to showcase skills learned in the morning. Players in the same age group may be moved around to ensure even play. Some of these games will emphasize the basic tactics of small sided play.
